

Research project grant means a grant in support of a project that addresses one or more of the targeted need areas or specific subject matter/emphasis areas identified in the annual program announcement related to strengthening research programs including, but not limited to, such initiatives as: Studies and experimentation in food and agricultural sciences, centralized research support systems, technology delivery systems, and other creative projects designed to provide needed enhancement of the Nation's food and agricultural research system.

Secretary means the Secretary of Agriculture and any other officer or employee of the Department of Agriculture to whom the authority involved may be delegated.

State means any one of the fifty States, the Commonwealth of Puerto Rico, Guam, American Samoa, the Commonwealth of the Northern Marianas, the Virgin Islands of the United States, and the District of Columbia.

Teaching means formal classroom instruction, laboratory instruction, and practicum experience in the food and agricultural sciences and matters related thereto (such as faculty development, student recruitment and services, curriculum development, instructional materials and equipment, and innovative teaching methodologies) conducted by colleges and universities offering baccalaureate or higher degrees.

Teaching capacity means the quality and depth of an institution's academic programs infrastructure as evidenced by its: Curriculum, teaching faculty, instructional delivery systems, student experiential learning opportunities, scientific instrumentation for teaching, library resources, academic standing and racial, ethnic, or gender diversity of its faculty and student body as well as faculty and student recruitment and retention programs provided by a college or university in order to achieve maximum results in the development of scientific and professional expertise for the Nation's food and agricultural system.

Teaching project grant means a grant in support of a project that addresses

one or more of the targeted need areas or specific subject matter/emphasis areas identified in the annual program announcement related to strengthening teaching programs including, but not limited to, such initiatives as: Curricula design and materials development, faculty preparation and enhancement for teaching, instruction delivery systems, scientific instrumentation for teaching, student experiential learning, and student recruitment and retention.

Third party in-kind contributions means non-cash contributions of property or services provided by non-Federal third parties, including real property, equipment, supplies and other expendable property, directly benefiting and specifically identifiable to a funded project or program.

USDA agency cooperator means any agency or office of the Department which has reviewed and endorsed an applicant's request for support, and indicates a willingness to make available non-monetary resources or technical assistance throughout the life of a project to ensure the accomplishment of the objectives of a grant awarded under this program.

§ 3406.3 Institutional eligibility.

Proposals may be submitted by any of the 16 historically black 1890 land-grant institutions and Tuskegee University. The 1890 land-grant institutions are: Alabama A&M University; University of Arkansas—Pine Bluff; Delaware State University; Florida A&M University; Fort Valley State College; Kentucky State University; Southern University and A&M College; University of Maryland—Eastern Shore; Alcorn State University; Lincoln University; North Carolina A&T State University; Langston University; South Carolina State University; Tennessee State University; Prairie View A&M University; and Virginia State University. An institution eligible to receive an award under this program includes a research foundation maintained by an 1890 land-grant institution or Tuskegee University.
